Law Enforcement Application for E-Crash Hardware: Scoring Packet

Our Mission: Providing Highway Safety and Security through Excellence in Service, Education and Enforcement.

FLORIDA DEPARTMENT OF HIGHWAY SAFETY AND MOTOR VEHICLES

Law Enforcement Application for E-Crash Hardware: Scoring Packet

Agency Name:

How does your agency currently report CMV crashes? **(5 points)**

paper **(5 points)** ☐

How many CMV crash reports does your agency submit to DHSMV, on average, annually? **(30 points)**

less than 100 **(7 points)** ☐ 101-200 **(10 points)** ☐ 201-500 **(15 points)** ☐ 501-750 **(20 points)** ☐

more than 750 **(30 points)** ☐

Please describe, in detail, your agency's e-crash program implementation plan including a target date for completion. (10 points)

- **Up to 10 points:** Description of e-crash program implementation plan
- **7-10 points:** Comprehensive description of e-crash program implementation plan; detailed description of timeline for implementation.
- **3-6 points:** Description of e-crash program implementation plan/timeline for implementation lacks functional detail.
- **0-2 point(s):** Little or no description of e-crash program implementation plan/timeline for implementation; plans for the agency's e-crash program are not well defined.

Describe the impact receiving funding for e-crash hardware will have on your agency's ability to increase the electronic submission of CMV crash reports. Be specific. What improvement does your agency foresee by the electronic reporting of CMV crash reports? Will the hardware your agency is requesting allow your agency to electronically submit all CMV crash reports? (20 points)

- **Up to 20 points:** Description of the impact receiving hardware will have on the agency's ability to increase the electronic submission of crash reports. Points to be awarded based on the level of specificity provided and the amount of improvement the agency foresees.
- **13-20 points:** Comprehensive description of the impact receiving funding will have on the agency's ability to increase the submission of e-crash reports; applicant provided specific examples of the benefits the awarding of funds will produce; applicant has a clearly defined improvement plan.
- **6-12 points:** Description of the impact receiving funds will have on the agency's ability to increase the submission of e-crash reports lacks specificity; applicant does not provide comprehensive examples of the benefits the awarding of funds will have on their agency; applicant's plan for improvement lacks detail.
- **0-5 points:** Little or no description of the impact receiving funding will have on the agency's ability to increase the submission of e-crash reports; applicant does not provide examples of the benefits receiving funds will produce or a plan for improvement.

Describe your agency's plan for training those officers who will receive e-crash hardware purchased through this program. Does your agency plan to provide formal training in the use of the hardware and attend the mandatory DHSMV CMV Electronic Crash Reporting Training? (15 points)

- **Up to 10 points:** Description of plan for training those officers who will receive hardware through this program. Points to be awarded based on the level of detail provided and the comprehensive nature of the plan.
- **7-10 points:** Applicant provided a clearly defined overview of the agency's plan to provide training to those officers who will receive the purchased hardware; applicant provided specific details of training components/length of training/description of course.
- **3-6 points:** Overview of the agency's plan to provide training to those officers who will receive the purchased hardware lacks detail; training components/length of training/description of course lack specificity.
- **0-2 points:** Little or no description of the agency's plan to provide training to those officers who will receive the purchased hardware; applicant provides little or no detail relating to training components/length of training/description of course.
- **Up to 5 points:** Does the agency plan to attend DHSMV provided CMV electronic crash report completion training? Yes **(5 points)** ☐ No **(0 points)** ☐

Describe how your agency will target those officers to receive hardware which will have the greatest impact on reporting CMV crashes. Does your agency have a designated group of officers responsible for reporting CMV crashes? (20 points)

- **Up to 15 points:** Description of plan for targeting officers to receive hardware which will have the greatest impact on reporting CMV crashes. Points to be awarded based on the level of detail provided and the comprehensive nature of the plan.
- **10-15 points:** Applicant provided a clearly defined, comprehensive overview of the agency's plan to target those officers who will receive the purchased hardware; applicant provided specific details of the methods that will be used to target these officers.
- **5-9 points:** The agency's plan to target those officers who will receive the purchased hardware lacks detail; the methods used to target these officers lack specificity.
- **0-4 points:** Little or no description of the agency's plan to target those officers who will receive the purchased hardware; applicant provides little or no detail regarding the methods that will be used to target these officers.
- **Up to 5 points:** Does the agency have a designated crash unit? Yes **(5 points)** ☐ No **(2 points)** ☐
